### Bio

#### CV:

Boaz Tamir has extensive experience in entrepreneurship, company management and academic activity. He has contributed his knowledge to the business development and marketing of some of the largest and most successful organizations in Israel including: Clal Industries-Electronics, Elite Industries and Paz–Oil and Gas company. Dr. Tamir is a founding partner of Montefiore Partners Venture Capital fund, as well as the founding partner and director of Romold Group, a multinational company, specializing in environmental technologies and focusing on the development and production of infrastructure products for water and waste-water management and telecommunication. Additionally, Dr. Tamir founded and directed, with PWCL Accountants, Ya'ad Business Development Ltd. a leading consulting company and was the founder and CEO of Be-Connected – Telecom Company. Dr. Tamir holds a Ph.D. in Political Science from the Massachusetts Institute of Technology. He is a faculty member at the Argov Fellows

Program in Leadership and Diplomacy, Lauder School of Government, Interdisciplinary Center (IDC) Herzliya, and is a published academic and author.
