Bio

CV:

Dr. Arnon Blum has years of experience in research and development in the field of fuel cells. Prior to founding EnStorage, Dr. Blum served as testing department manager at Medis Technologies and was the chief technology officer at Green Fuel cells, where he developed a portable fuel cell for portable applications. Dr. Blum holds PhD and MBA degrees from Tel Aviv University. He has published many scientific papers and holds several patents in the area of fuel cells and system integration.
